Dear Sir:

A telephonic interview occurred on 24 October 2008 between Examiner Shen, Applicant's representative, Weston Gould. No exhibits were shown in the course of the interview. The interview consisted of a discussion of pending independent claim 1 and the scope of the claim relative to the Wagner reference of record. Examiner Shen agreed that claim 1 was distinct from the Wagner reference, but that additional amendment was required to overcome the obviousness rejection. No agreement was reached in the course of the interview.

Entry of this Statement of the Substance of Interview is requested as the Statement is in compliance with 37 CFR 1.133.

Dated: December 23, 2008

Respectfully submitted,

By: Weston R. Gould, Ph.D./
